Dylan is the bassist for Jake Lindsey's band, but not when he's in his hometown. It's Christmas Eve and a sudden, strong blizzard has left the mountain submerged in snow, wrecking his plan to drive back to Los Angeles in time to attend Jake and Beth's party Christmas Day. Jennifer's family was coming to spend the holiday at her cabin, but the storm is keeping them off the mountain. Resigned to entertaining herself for the night, she's startled by someone pounding on her front door--a handsome man needing shelter from the storm. Dylan is sweet, funny, and so damn hot she can't resist learning what he has to offer. Was this a single night of passion, or the beginning of lasting love? This story is intended for readers over the age of 18 due to adult language, sexual content, and adult situations. Includes a sample of KISSED, book one in the My Once and Future Love Revisited saga.
