Brand New Book ***** Print on Demand *****.Now in development for a TV movie! ** For Franki Amato, life in New Orleans is anything but The Big Easy. When she met handsome bank executive Bradley Hartmann, she knew she d finally found a man she could trust. But she can t say the same for his sexy new secretary, who is about as trustworthy as Mata Hari and every bit as seductive. Meanwhile, Franki s best friend and employer, Veronica Maggio, has named her the lead investigator in the murder of a gorgeous cosmetics CEO who was found lying dead in the master bedroom of a historic plantation home. Now the pressure is on Franki to figure out what a bottle of pink lip gloss and the legend of a pink diamond have to do with the bizarre killing. The problem is that the plantation is notorious for being haunted, and Franki is less than enthusiastic about the prospect of meeting a ghost. Adding to her stress, her Sicilian grandma is up to her usual meddling antics-this time planning Franki s engagement to Bradley before he s even considered popping the question. As Bradley grows distant and plantation employees begin dropping like Southern belles during a sweltering summer, Franki turns to a psychic with a phobia of ghosts to solve the mysterious murders and her own relationship fears. Traci Andrighetti s Franki Amato Mysteries have me tickled pink! Her smart, sassy heroine, wacky cast of characters, and vividly original settings had me glued to the page. I can t wait to read more from this author! Gemma Halliday, New York Times bestselling author Traci s writing is sharp and funny; the world she paints leaps off...
