THE CONQUEST OF PLASSANS

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, The Conquest of Plassans, Emile Zola, Helen Constantine, 'Abbe Faujas has arrived!' The arrival of Abbe Faujas in the provincial town of Plassans has profound consequences for the community, and for the family of Francois Mouret in particular. Faujas and his mother come to lodge with Francois, his wife Marthe, and their three children, and Marthe quickly falls under the influence of the priest. Ambitious and unscrupulous, Faujas gradually infiltrates into all quarters of the town, intent on political as well as religious conquest. Intrigue, slander, and insinuation tear the townsfolk apart, creating suspicion and distrust, and driving the Mourets to ever more extreme actions. The fourth novel in Zola's Rougon-Macquart sequence, The Conquest of Plassans returns to the fictional Provencal town from which the family sprang in The Fortune of the Rougons. In one of the most psychological of his novels, Zola links small-town politics to the greater political and national dramas of the Second Empire. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.
