[Product Description: Critical Care Nursing traces the evolution of critical care nursing from battlefields and the hospital recovery rooms of earlier decades to the modern units of today. It also discusses the social, political, and economic factors that have led to its growth. Combining archival sources with personal interviews, Critical Care Nursing reveals the important place critical care occupies in America's complex health care delivery system and the crucial role specialized nursing plays in the shaping and delivery of that care.]

### Reviews

*The book is fantastic and great. It is loaded with knowledge and wisdom You are going to like the way the article writer create this ebook.*

-- **Amaya King**

*Undoubtedly, this is the best work by any author. It is really simplified but shocks within the 50 % in the publication. Its been written in an extremely straightforward way and is particularly just following i finished reading this publication by which basically altered me, modify the way in my opinion.*
