When Skye was given a shiny new pair of red rubber boots, she fell in love with them. Skye insisted on wearing the boots day and night, for practically a whole year. Although Skye's mother wearily attempted to persuade her to wear shoes other than the boots, Skye absolutely refused. Skye knew she was driving her sweet mother to her wits end, yet her boots made her feel so securely grounded that she stubbornly continued to wear them. Then one day something really scary happens, and everything changes in an instant!.
