

## After My Lai: My Year Commanding First Platoon, Charlie Company (Paperback)

Filesize: 3.54 MB

### Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

## AFTER MY LAI: MY YEAR COMMANDING FIRST PLATOON, CHARLIE COMPANY (PAPERBACK)

[DOWNLOAD PDF](#)

University of Oklahoma Press, United States, 2010. Paperback. Book Condition: New. 213 x 137 mm. Language: English . Brand New Book. In the fall of 1969, Gary Bray landed in South Vietnam as a recently married, freshly minted second lieutenant in the U.S. Army. His assignment was not enviable: leading the platoon whose former members had committed the My Lai massacre--the murder of hundreds of Vietnamese civilians--eighteen months earlier. In this compelling memoir, he shares his experiences of Vietnam in the direct wake of that terrible event. After My Lai documents the war's horrific effects on both sides of the struggle. Bray presents the Vietnam conflict as the touchstone of a generation, telling how his feelings about being a soldier--a family tradition--were dramatically altered by the events he participated in and witnessed. He explains how young men, angered by the deaths of comrades and with no release for their frustration, can sometimes cross the line of legal and ethical behavior. Bray's account differs from many Vietnam memoirs in his vivid descriptions of platoon-level tactical operations. As he builds suspense in moment-by-moment depictions of men plunging into jungle gloom and tragedy, he demonstrates that what led to My Lai is easier to comprehend once you've walked the booby-trapped ground yourself. An intensely personal story, gracefully rendered yet brutally honest, After My Lai reveals how warfare changes you forever.
