Impact of Diversity on the Civil-Military Relationship (Paperback)

By U S Army Command and General Staff Colle

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.Recent concern exists regarding the gap between the military, its civilian leaders, and society, and the importance of achieving diversity among the military leadership that is representative of the soldiers they lead and the nation they serve. Civil-military relations and diversity, which usually appear to be two distinct and separate topics, are interrelated. Failure to address them will negatively impact the military's ability to sustain a high quality force capable of meeting the nation's security requirements. This book examines the correlations between diversity and the impact on the civil-military relations of the United States.

Reviews

The most effective publication I have ever read. We have studied it and I am sure that I will likely to read it again once again in the foreseeable future. You will not truly feel monotony at any time of your time (that's what catalogs are for about in the event you request me).

-- Mr. Rafael Hoeger

Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and I encouraged this publication to find out.
