### Reviews

*This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.*

*(Ida Herman)*

Riverhead Hardcover, 1997. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: At the age of fifteen, Daphne Scholinski was put in a mental hospital for what her psychiatrist called 'failure to identify as a sexual female.' The hospital gave her a diagnosis that was brand-new to the medical books: Gender Identity Disorder. The years that should have been Daphne's typical high school experience instead consisted of periods of seclusion and physical restraint, frequent doses of sedatives, and the close company of people who were truly crazy. It's hard to believe that doctors, circa 1981, described Daphne's treatment goals as becoming more obsessive about boys, learning about makeup, dressing more like a girl, curling and styling hair, and spending quality time learning about girl things with peers. Even now, after a decade and a half of our culture's coming to grips with homosexuality, approximately fifty thousand teenagers are institutionalized in the U.S. each year for being too sissy or too much of a tomboy. Though the facts are truly frightening, Jane Meredith Adams has captured Daphne's fresh, funny, triumphant voice so vividly that *The Last Time I Wore a Dress* is impossible to put down. The result is a book is reminiscent of *The Catcher in the Rye* and *One Flew Over the Cuckoo's Nest* as well as an exposé of a shameful medical sham that has destroyed countless childhoods.
