But a Christian woman, seeking to live for her Lord, will first of all want to find out God s design, purposes and promises for women. And here s the book to help. Sarah Collins (nee Young), in this set of nine Bible studies, aims to answer questions such as - What does the Bible say about the big issues facing women today - How should this affect my own life - How can I be helped to live like this in a society with a very different agenda - Some things will be controversial in our culture, even in some of our churches. This course doesn t set out to be politically correct but faithful to Scripture. Suitable for groups or individuals, this guide covers all the major Bible teaching specific to women.
