*A must buy book if you need to adding benefit. It is actually written in basic phrases and never difficult to understand. I found out this book from my dad and i advised this publication to find out.

Dogwise Publishing, United States, 2012. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Great news for those of you who have wanted to read a book that explains animal learning in a manner that is easily understood and entertaining. With the freedom of understanding how your dog learns comes the ability of making the process easy, efficient and enjoyable for your dog. You'll be in a position to accelerate your dog's learning! Agility enthusiast, obedience competitor and psychologist Dr. Pamela Reid introduces you to cutting-edge scientific techniques in dog training including, autoshaping/retrieval (i.e., letting the dog train itself), and errorless discrimination learning for teaching scent articles and directed jumping. The combination of a relaxed writing style and numerous examples that relate to dog training makes learning theory actually fun to learn.
