### Reviews

*A must buy book if you need to adding benefit. This is for anyone who statte that there had not been a well worth reading through. Its been designed in an exceptionally straightforward way which is simply right after i finished reading this book where basically changed me, change the way i think.*

Quercus Publishing. Paperback. Book Condition: new. BRAND NEW, Ten Thousand Saints, Eleanor Henderson, Vermont, New Year's Eve, 1987. All Jude wants to do is get high. All Teddy wants to do is get out. One of them won't live to see 1988. In the wake of this death, three teenagers will try to find a way of honouring their lost friend. Is clean living the answer? Is parenthood? Or the simplicity of carrying out a last wish? Winding its way through Vermont, New York, the Straight Edge music scene and the early days of the AIDS epidemic, *Ten Thousand Saints* is a fierce, brilliant depiction of all types of love and its flaws, of life, loss and pain; a profoundly human story that explores how one moment of carelessness can impact the lives of so many.
