Infinity 510 Squared Partners. Paperback. Book Condition: New. Paperback. 534 pages. Dimensions: 8.9in. x 6.0in. x 1.3in. Now in its 6th Edition (recently updated in 2014) and with over 150, 000 copies sold since 2006, Cancer-Step Outside the Box is a must-have book that everyone should own. According to Dr. Rashid Buttar, author of The 9 Steps to Keep the Doctor Away, Ty Bollingers book, Cancer-Step Outside the Box, is an extraordinarily thorough and courageously well written book, brought to fruition by the dedication of a son for his departed parents. I found it difficult to put down this exceptional book once I began reading it and plan on recommending it to all my patients suffering from cancer who seek treatment at our clinic so that the light of truth and hope contained within this book can shine brightly on them as well. In the words of cancer survivor, Brad Matznick, I am not a journalist, that's Tys job, so I won't drag this out . . . I am a cancer survivor and this book was a huge contribution to my survival (it's one of the best books on the subject). Ty is a rebel . . . maybe even somewhat eccentric, but you can't ignore what he's saying. Read this book if you or someone you care about has cancer . . . nuff said. With satisfied readers in over 50 countries worldwide, Cancer-Step Outside the Box is a roadmap to successfully treating cancer and regaining your health! This book is chock full of the most effective, non-toxic cancer treatments in the world. Truth be told, there are many potent and well-proven alternative strategies for preventing and treating cancer. . . without surgery, chemotherapy, or radiation (the Big 3). Inside this book, you will find a wealth of information that...
