Listen to Sub-Human Chapter 3s sample here [goo.gl/kdxS8i](http://goo.gl/kdxS8i) Age Range: 12 years and up Before he was Old-timer, he was Craig Emilson, a young doctor, sucked into military service at the outbreak of World War III. Enlisting to become a Special Forces suborbital paratrooper, Craig is selected to take part in the most important mission in American military history--a sortie into enemy territory to eliminate the world's first strong Artificial Intelligence. The mission is only the beginning of Craig's story, and for the story of humanity as well, as they accelerate towards a world that is post-human. If you're already a fan of the smash-hit Post-Human Series, this prequel to Post-Human, Sub-Human, will answer the previously unanswered questions of how the post-human world came to be. And, if you're new to the series, Sub-Human will serve as an engrossing introduction to a possible future that has enraptured tens of thousands of readers in 2012 alone! Wow! Reads like a action...

### Reviews

*Certainly, this is actually the greatest job by any author. It is definitely simplified but excitement inside the 50 percent of the book. I am just easily will get a delight of studying a composed pdf.*
