

Positive-Ly Uncertain: Learn the New Hack to Hit the Happiness Jackpot (Paperback)

By James Emry

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm.

Language: English . Brand New Book ***** Print on Demand *****. Positive-Ly Uncertain gives you a step-by-step guide you can use to set your happiness on auto-pilot explains the science behind what makes lasting happiness so hard to achieve for humans. James Emry's A-ha! moment gives automation a whole new meaning and far more purpose than just letting you never stand in line at the bank again. You may have already noticed that the more important something is to you, the greater you feel knowing its gonna be there, that it's taken care of. People love automation for this reason, you love having the burden of some of that lower level stuff off your back but there's still so much more to be done. Where's your automation that you can use to secure better relationships or get more life satisfaction? Your mood isn't going to automate itself but, the truth is, nothing COMES already automated, does it? You crack open the box, you look over the installation book and then you set it up. You can't do it just...

Reviews

Extremely helpful for all class of folks. I really could comprehend almost everything using this written e publication. You will not feel monotony at any time of the time (that's what catalogs are for about in the event you check with me).

-- Prof. Melyna Dooley V

Merely no phrases to describe. Better than never, though I am quite late in start reading this one. Its been written in an extremely easy way which is merely following I finished reading this publication through which in fact transformed me, change the way in my opinion.
