Excerpt: . . . ither insuring questionable loans or simply subsidizing mortgage fraud. The Subcommittees investigation culminated in 2 days of Congressional oversight hearings on June 29 and 30, 2000. Among the witnesses who testified were three purchasers of flipped homes: Lisa Smith, a New York City police officer, and single mother; Sonia Pratts, a health care assistant from Hollywood, Florida; and Steekena Rollins, a day-care service provider from Chicago, Illinois. All three spent their entire life savings to buy into the American dream of home ownership, only to have their experience transformed into a nightmare. As Chairman Collins said in her opening statement: LI find it very troubling that so many citizens in our Nations cities have been victimized by the predatory practices of unscrupulous real estate agencies, appraisers, and lenders. But what I find most appalling is that the Federal Government has essentially subsidized much of this fraud. 1 -----
