RAZORBILL, United States, 2016. Hardback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. Natalie s last summer in her small Kentucky hometown is off to a magical start.until she starts seeing the wrong things. They re just momentary glimpses at first - her front door is red instead of its usual green, there s a pre- school where the garden store should be. But then her whole town disappears for hours, fading away into rolling hills and grazing buffalo, and Nat knows something isn t right. That s when she gets a visit from the kind but mysterious apparition she calls Grandmother, who tells her: You have three months to save him. The next night, under the stadium lights of the high school football field, she meets a beautiful boy named Beau, and it s as if time just stops and nothing exists. Nothing, except Natalie and Beau. Emily Henry s stunning debut novel is Friday Night Lights meets The Time Traveler s Wife, and perfectly captures those bittersweet months after high school, when we dream not only of the future, but of all the roads and paths we ve left untaken.
