It may be quite small but should be close to the kitchen so as to minimize the labor of serving the meals and washing up afterwards. Sometimes an alcove is made off the kitchen, but this takes as much space as a separate room and is not nearly so satisfactory from any point of view, particularly when there are men to be fed. It is very desirable to keep them out of the kitchen. A shed, which is considered an absolute necessity in the country, will be hailed with delight anywhere. Its uses are manifold and cannot be catalogued. It is a sort of refuge for outcasts that cannot claim a more definite residence. They will be a diverse and motley company to be sure, these waifs: the velocipede...

### Reviews

*Thorough guideline! Its this type of good read. It is really simplistic but shocks from the 50 percent from the publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*
