Filesize: 1.16 MB

Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

(Noble Hagenes)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book ***** Print on Demand *****.Excerpt from Mollusca of India, Vol. 1: Including South Arabia, Baluchistan, Afghanistan, Kashmir, Nepal, Burmah, Pegu, Tenasserim, Malay Peninsula, Ceylon, and Other Island of the Indian Ocean In issuing the First Part of Land and Freshwater Mollusca of India, the undersigned is attempting to carry out what the editors of the Conchologia Indica express a hope of at the end of their Preface. They say that work was never intended to be exhaustive, but to assemble in one book species which were dispersed in scores of other volumes. I can hope to do but little more. But the Conchologia Indica was brought to an end before the editors had exhausted all the known species from India; and since then a very large number of new forms have been discovered in that vast country, with its varied climate and conditions, and where every year new areas are visited by the naturalist and collector. Although I have published many new species brought together by myself, there are still many left in my collection; while H. F. and W. T. Blanford, Col. Beddome, W. Theobald, Geoffrey Nevill, Col. Mainwaring, Dr. Hungerford, Dr. Townshend, Professor J. Bayley Balfour in Socotra, Messrs. M. T. Ogle, A. Chennell, W. Robert, and H. Godwin-Austen have added many an additional species to the list, so that there is no lack of material. With the aid of the above gentlemen and others I hope to make this supplementary work as valuable as its predecessor. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
