For many people living in the great cities along the East Coast of America, the Jersey shore is their only vacation destination. They come for many reasons, the ocean, the glitz of the casino, and the glitter of the boardwalk. Some come to visit and never leave. The 1st Annual Unofficial Point Pleasure Skimmer Survey tells about a fictional seashore resort populated by colorful quirky locals. They may be the waiters or ticket takers you encounter as shadowy enablers of your vacation pleasures, but when the season's over and the tourists are gone, they live their own lives but oh, those lives!.
