APress. Paperback. Book Condition: new. BRAND NEW, Invest Like an Institution: Professional Strategies for Funding a Successful Retirement, Michael C. Schlachter, All too often, when investors go in search of investment advice, they are met with television personalities and so-called investment "gurus" who do little more than push the latest and greatest scheme to retire rich. Your retirement funds--in the form of IRAs, 401(k)s, SEP or Simple IRAs, and other plans you can direct to some degree--are, however, far too precious to bet on the latest scheme, trend, or tip you heard at a party. In *Invest Like an Institution: Professional Strategies for Funding a Successful Retirement*, Michael Schlachter provides individual investors with the tools they need to build a portfolio that not only protects their wealth but helps it grow for the long term. Result? A comfortable retirement in which you can pursue your dreams and check "bucket list" items off at your leisure. As an advisor to large pension funds and endowments, Michael Schlachter counts among his clients the elite. Institutional investors like the retirement systems of states and major companies, as well as the largest university endowments, are among the few that consistently outperform the market. Sure, average retail investors can't make the same types of private deals in real estate, private equity, or hedge funds that institutional investors use to reap large returns or offset market volatility. But as this book demonstrates, you can replicate in your own portfolio the very same diversification strategies that large funds employ to achieve long-term gains. To that end, *Invest Like an Institution* shows how to build a portfolio that is every bit as diversified and risk-controlled as a multi-billion-dollar institutional fund--and a portfolio more likely to result in a happy, financially secure retirement. Filled with easy-to-implement guidelines that will...
