## The Formation and Progress of the Tiers Etat, or Third Estate, in France Volume 1 (Paperback)

By Augustin Thierry

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is a history of the France that traces the development of the Third Estate in France, developments that were affected by the Middle Ages and underwent a transformation during the French Revolution. From the intro: The work which forms the principal part of this volume is the summary of all my labours relative to France. It has been composed as an introduction to the collection of unpublished records of the history of the Tiers Etat, one of the publications of historical documents ordered under the last reign. It is a survey of our national history, taken in those years in which the author, carrying his observations back to the distance of seven centuries, and thence bringing it down to the state of things around him, remarked a regular succession of civil and political progress; and recognised, at each end of the road which he had travelled over, the same nation and the same monarchy, connected one with the other, modified under the same circumstances, and exhibiting their last change consecrated by a new compact of union. Considered...
