Peter Owen Publishers, United Kingdom, 2012. Paperback. Book Condition: New. Reprint. 182 x 122 mm. Language: English . Brand New Book. A witty, anecdotal account of Stein's lifelong love affair with France. Gertrude Stein lived in Paris from 1903 with her brother Leo, acting as patron for a number of soon-to-be famous artists, most notably Pablo Picasso. Published in 1940, on the day that Paris fell to the Germans, this account blends Stein's childhood memories of Paris with trenchant observations about everything French. It is a witty fricassee of food and fashion, pets and painters, musicians, friends, and artists, served up with a healthy garnish of Stein's humor and self-indulgence. For readers who have previously considered Gertrude Stein to be a difficult or even unreadable author, Paris, France provides a delightful window on the personal and unique world of one of the 20th century's most celebrated modernists.
