REFRESHER ARITHMETIC

Ishi Press. Paperback. Book Condition: New. Paperback. 450 pages. Dimensions: 9.0in. x 6.0in. x 1.0in. This book by a high school math teacher teaches everything one will ever need to know about arithmetic. Starting with simple numbers and counting, it goes through addition, subtraction, multiplication, division and then proceeds to fractions, square roots, plane geometry, solid geometry, charts, graphs, calculations of the volume of a cylinder, interest on a loan and other problems requiring the use of arithmetic. In just this...

Reviews

A top quality pdf and also the font applied was fascinating to learn. it was actually written extremely properly and valuable. I discovered this publication from my i and dad recommended this publication to find out.

-- **Jan Schowalter**

It becomes an remarkable publication that I have possibly go through. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is basically the best ebook we have study inside my individual existence and can be the greatest book for actually.
