HarperCollins Publishers Inc, United States, 2005. Paperback. Book Condition: New. Reissue. 170 x 104 mm. Language: English . Brand New Book. In Lost Boys, an acknowledged master storyteller weaves a powerful, uplifting tale of loss and redemption around an ordinary American family's bittersweet triumph over a welter of dark forces, both natural and supernatural. Step Fletcher, his wife, DeAnne, and their three children move to Steuben, North Carolina, thinking - hoping - it might be just the right place for them. Its traditional values coincide with theirs, and Step has the promise of a good job at a hot software company. But Steuben is definitely not right for their oldest child, eight-year-old Stevie. A woman at their church believes God has given her an insight into Stevie's best interests that his parents lack. Evil hides in myriad mundane corners, threatening the Fletchers and their children. One of these threats, or maybe all of them, or maybe something else besides, may take Stevie away. But, though evil is...
