But in the arena of love, things get much more complicated. Lainie Capshaw has been tending to injured cowboys long enough to know that a charming Western drawl combined with a fine physical form doesn't mean you should fall for a man. As a sports therapist, she travels the rodeo circuits patching up riders and fending off their sweet-talking, swaggering advances. So no one is more surprised than Lainie when she finds herself interested in not one, but two different men on different circuits: Hank Lawson, a bullfighter, and Kyle Gilchrist, a bull rider trying to stage a comeback. She's more shocked to learn Hank and Kyle are hometown buddies. But when the men offer to share her in every way she knows that both of them are going to try to win her, body and soul. And even as their sensual journey becomes the ride of her life, Lainie must choose which cowboy is worthy of her heart. . . . This item ships from multiple locations.
