St. Martin s Press, United States, 2016. Paperback. Book Condition: New. 173 x 107 mm. Language: English . Brand New Book. A Highland warrior battles to reclaim his birthright in the first of a new series filled with seduction, revenge, and soul-stirring passion They call him the Beast a hardened mercenary whose heart seems as cold as his icy blue gaze. They do not know his true name: Niall Braewick, son of the Laird of Kincaid. It has been years since he escaped into the forest the night his father was murdered. Now he has returned, ablaze with a vengeful hunger. He will gain the MacClaren chief s trust, gather his clan, and take back his lands. And take the MacClaren s daughter as well Though he pulled her from the river, saving her life, Elspeth has been warned to keep her distance from her father s hired warrior. He is a barbarian a shame, as he is far more compelling than the lechers and fools competing for her dowry. Little does she know that, like the castle itself, she is a prize Niall intends to claim but will he extract blood for blood and possess what is his, or will his enemy s beautiful, innocent daughter tempt him to forsake his dream of conquest?.
