Moody Publishers, United States, 2014. Paperback. Book Condition: New. New. 201 x 135 mm. Language: English . Brand New Book. There is a gap between where we are and where we see ourselves in our biggest dreams. This gap can seem insurmountable, overwhelming, and even impossible. But here's the thing: God often gives us a unique message to share or a difficult problem to solve, and we just need a simple push in the right direction. Vision Map will help you take practical steps to see your vision come to pass based on a simple goal-writing plan. A few years back, Joël Malm had the idea to start an organization that led people on outdoor expeditions (no big deal, just like climbing Mount Kilimanjaro!) with a spiritual, God-centered focus. Then he went out and did it: This book is a response to the question he gets often, "How do you start something like that?" Vision Map is not a formula for overnight success, but it is a template to start anyone on the path to envisioning their God-given dream to start a business or start a family or run a marathon or lose 20 pounds or plant a church or read through the Bible or write a book or climb a mountain! Or whatever else you and God can dream up.
