

Clothing Memoirs of a Wannabe Cowgirl: Remembrances of Growing Up in the 1960s and '70s (Paperback)

By Donna Harlan

iUniverse, United States, 2008. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. The 1960s ushered in one of the most quickly wide-spread trends up until that time—the American cowboy. This was due in part to the acquisition of television into many of the homes of the baby boomers. All of us who were cowboys during this time still feel a connection with each other. From that vantage point we moved on to the days of go-go boots and from there to being flower children and wearing peace symbols and fringed vests. Our clothing became a way of expressing who we are at an individual level, rather than just an expression of our class or socio-economic status, as had been the case in the past. We enjoyed being able to express both our collective spirit and our individual natures through our clothing choices. Perhaps we haven't always realized the extent to which clothing trends and experiences shape us into the people that we become on the inside. Is it possible that our character and integrity are affected by something as simple as our clothing? It's worth thinking about...

Reviews

The very best book I actually read through. I have got read through and I am certain that I will likely to read through yet again yet again down the road. I realized this ebook from my dad and I suggested this book to learn.

-- Alfreda Barrows

Merely no phrases to describe. It really is really intriguing through reading time. I am happy to tell you that this is basically the greatest book I have gone through in my own lifestyle and might be the greatest book for ever.

-- Kattie Wunsch
